

Satsuma High School Distance Learning Parent Instructions

Parents,

We know that you are anxious about this unprecedented time of Online Distance Learning. It is our goal to continue to provide your child with an education that is both meaningful and manageable. Our staff has worked very hard with these two goals in mind.

Our teachers have uploaded their lessons into their Google Classroom Platforms. Your student is familiar with and knows how to use Google Classroom. These required assignments WILL be graded and will count as the students' fourth quarter grades.

- 7th & 8th grade students' final yearly average will be the average of 1st, 2nd, 3rd, and 4th (online/distance) grades.
- 9th to 12th grade second semester grades will be the average of 3rd and 4th (online/distance) grades.

We need your help with keeping your student on track. You will find a link to every teachers' class calendars on the same webpage you found these instructions. Please sit down with your child and ask him/her to recall his/her schedule with you. Use the space below to write your child's schedule with teachers' names. Then go to the website and print each teacher's calendar. Please make sure your child is keeping up with his/her assignments.

Junior High students have 6 classes and high school students have 7 classes.
